Automatic Transmission Oil

Synthetic ATF MBS

Full Synthetic Automatic Transmission Fluid

Synthetic ATF MBS is a high quality fuel saving fully synthetic automatic transmission oil specially developed for the last generation MB (NAG II+) 7-G Tronic Plus automatic transmissions.

Synthetic ATF MBS is based on special selected high performance synthetic base oil in combination with a special selected EP-additive package to reach to following properties:

- Excellent thermal- and oxidation stability.
- Excellent low temperature properties.
- Good shifting even at low temperatures.
- High viscosity index.
- Excellent shifting even after long use.
- Extended drain interval possible.
- Fuel saving properties.
- Excellent protection against the forming of foam, corrosion and wear.

Synthetic ATF MBS exceeds the following performance criteria:

MB 236.15
