

ATF ULV

Automatic Transmission Oil

Product Code: 78465

ATF ULV is a synthetic high quality ultra low viscosity automatic transmission fluid intended for 6-speed, 8-speed and 9-speed automatic car transmissions. Subjected to extreme testing.

ATF ULV guarantees maximum performance of the automatic transmission. At the same time, the wear of heavily loaded components is minimized due to the specifically matched oils.

ATF ULV is based on a synthetic base in combination with an unique additive package to ensure the following properties:

- Excellent thermo- and oxidation stability.
- Excellent lubrication, even under extreme conditions.
- Very high protection against wear, corrosion and foam.
- High "shear stable".
- Very low Pour point, can be used by very cold temperatures.
- High Viscosity Index.

ATF ULV meets the performance criteria where the following specifications are asked:

Aisin-Warner AW-2

Volvo 31492172/312492173

MERCON ULV

PSA 16 350 560 80
